An Exceptional End to the Year with AHK Slowakei & BMB Partners Taxand

On 1 December 2026, AHK Slowakei and BMB Partners invite you to a special Christmas event in the festive atmosphere of the Winter Riding Hall at Bratislava Castle.

The evening will bring together music, inspiring conversation and personal encounters. It will also offer an opportunity to pause for a moment and reflect on how much we share and on the values that connect us across generations, communities and countries.

The evening will open with a Christmas concert conducted by Anton Popovič, who will also bring a personal message from the generation that helped pave the way for freedom and an open society in November 1989. Together with young musicians, he will create a memorable musical experience and set the tone for the festive season.

Another highlight of the programme will be **an exclusive talk show with renowned presenter Adela Vinczeová**. With her distinctive ability to create open and authentic conversations, we will look beyond what is immediately apparent, exploring personal experiences, new perspectives and the values we share. In her unmistakable style, Adela Vinczeová will guide us through a conversation that gives space not only to what is said, but also to what can be heard *between the notes*.

Following the programme, the evening will be dedicated above all to connecting with one another, providing an opportunity for conversations with long-standing partners, new contacts and networking within the Slovak-German business community.

Look forward to an exceptional concert, inspiring conversations, culinary delights and a warm pre-Christmas atmosphere in one of Bratislava's most impressive venues.
